Julie White - Thank you all for the opportunity to serve and can not wait for school to start.

Kate Fox - I have been a Social Worker at Heritage since 2022. I am the only mental health team member still here from this past year. I am glad we were able to hire the counselors in light of Kristy and Leslie leaving. The needs of our students are not changing. It has been a really hard year. The mental health team didn't hesitate and ensured our students were served. They deserve the best. I still would like to see the Health Center for our community as they have the needs and barriers. I am not sure why we can't be attending to both the health center and bond. We need to find creative ways to pay more.

Officer McShane - Mental Health and poverty needs are here in Stockbridge. We do have a lot of resources here. SRLSY, Teen Center, Trinity Health have met to come up with a new program to put all resources together, possibly called "Flourish".

XV. Adjournment

Move that work session #12 of the Stockbridge Community School District Board of Education be adjourned at 7: 59pm .

Motion : Gee                      Second : Gancer      Passed: 7-0
