a. Reviewed Mid Year Goals

i. Improve Communication to the board

ii. Commit to 2 community events per month to improve community relations.

iii. Improve staff relationships as well as providing consistent staff feedback and evaluations

2. Board Goals for Superintendent.

a. Improve Student Outcomes - Check with Brian/Amy - what data is available for trend data to build goals. Quarterly metrics to show that we are progressing in Literacy and Student Growth.

b. Improve Staff Relations - Would like a survey three times per year. Review survey results and form an action plan and act on it. Attend two training sessions on leadership and communication or conference within the next 12 months.

c. Improve Communications/Media Relations - Write an article for the Stockbridge Community News every month. Engage with one community group each month. Publish a minimum of one press release per month advertising a positive aspect of the schools. Send out Panther News twice per year. Find a way to include parent involvement in DSIT. Provide

information as requested by the board monthly. I.e Actual to Budget variance reporting etc. More information to come.

2. ISD Contracts

- a. Tech contract - There is a concern that the MSP when slow will be working on improving the ISD not here. Cost is a concern.

3. Committee Notes Template - This template is out in our shared Board of Education drive. This would have to be approved in the next meeting. Facilities, Finance and Policy committees should include the entire board.

VI. Schedule of Meeting

Regular Meeting July 28, 2025 6:30 PM Jr/Sr High Student Success Center

VII. Public Comments

Please address your comments directly to the Board President. It's important to note that while the meeting is open to the public and conducted in a transparent manner, it is primarily a platform for the Board of Education to conduct its business. Board members will not engage in dialogue or respond to comments during the meeting. We appreciate your understanding and cooperation in maintaining an orderly and productive meeting environment. Each speaker will be limited to three minutes, with a maximum of thirty minutes of public participation.

The board president may adjust the guideline as they see fit.

Kate Fox - SEL is the foundation of student success. MySABRES through Fastbridge is the assessment. I appreciate hearing that we had 21 applicants for principals. Our administration compensation is in line with neighboring districts, please remember this when contract negotiations start.

Annie McShane - Would it benefit to get a monthly report from the SRO given to the board?.

Reaghan Walz - We are not following through on issuing referrals for behavior so that would not be a good basis for data points. Parents are feeling like we are not a friendly district to approach.

VIII. Adjournment

Move that special session meeting #1 of the Stockbridge Community School District Board of Education be adjourned at 8:30 pm.

Motion : Ramailia Second : Lance Passed 7-0
