- VII. Board Committee Reports
Policy Committee - We met on the 10th and went over volume 40.1. That will be split up and will be brought to a future meeting. We were able to get some templates of other policies for new policies. Naming and crowd funding are two that we will be working on to bring to the board.

VIII. Student Representative - JayLee Chapman - absent

IX. Village Manager- Heather Armstrong

1. Trail Discussion - Pat (Village Engineer), Matt Pegouskie and I (Village Manager) are here in regards to the one trail that connects the Veteran's park to the school. We are coming back to confirm placement of the path. Back in 2021 the board approved the track to come through. We are looking to revisit as there is work to do on the trail. It is proposed to go through the north side of the orchard and alongside the building. We are looking for impacts and what can be planned so an RFP can go out for bidding. Trail upgrades are already budgeted for paved 8 ft wide sidewalk. A fence is not part of the plan as the target is opening accessibility to the students. The project is very community based. The board would like to see this on the south side of the apple orchard.
2. Safe Routes to School Grant - 5 Healthy Towns have done safe routes to school projects in all our towns. We are looking at a grant that could bring 1.2 million into Stockbridge. We conducted a walkability audit on the 27th. We did three routes. The next step is to have MSU give us feedback on those routes. Each school could also be granted \$15,000 for this initiative. The timeline has the action plan complete May/June for start of construction is mid 2027 maybe 2028.

X. Reports

Mr. Trapp - Homecoming went well despite the reverse order of events. I want to give a big thank you to Mike Williamson for his community facebook post following the event.

Announcement from JayLee- passed out 200 grit tickets, students at ffa leadership, MPIA journalism conference, college presentations (4 schools).

XI. Student/Staff Presentation - Naomi Carson and Yvonne Hopkins - [Fire Up Panthers Presentation](#) Functional Independence Program and Unified Sports. Recycling collection every Thursday which we shred paper to make our fire starters. This coming November we will be partnering with Leadership on their food drive, craft fairs for selling their fire starters. We will be hosting a Unified Basketball game this spring.

XII. Superintendent Report

We were planning to bring the audit tonight for approval but we are waiting for the compliance document. We will approve it at the next work session. Health insurance meetings will be held on Tuesday/Thursday this week and a third date next week. They are saying the electric buses should be here at the end of November. They need to be inspected so it may be December before they are delivered. The choir concert is tonight. Contract negotiations begin on the 23rd and 24th with both teachers and support staff.

In the next regular meeting we will have a presentation on student assessments. Student leadership will be here for the November work session. Reproductive Health met this last week. They are looking at the 7-12 curriculum. The conclusion was to keep the 5th/6th grade curriculum the same. The State budget is consistent with what we

were expecting back in January. More funds in the at risk area but another area was stripped out by \$130k. We are confident we planned well.

XIII. Discussion Items

XIV. Consent Agenda

- b. \$42,661.20 from Cafeteria Special Revenues Fund
- c. \$11,714.90 from Student Activity Special Revenues Fund
- d. \$864,099.65 September Payroll

Motion : Numinen Second : Ogden Passed 5-0

XV. Old Business

- Where do we stand with the staff survey? We are looking for a short and concise survey. We (Erin/Brian) thought we could include it with the professional development survey.
- Superintendent goals - to be disbursed to the board by 10/15/25.
- We Are Stockbridge Brand - We would like to keep this a consistent message. The unified message needs to be the same without the slogans ("We Want You Here"/"tart The Right Fire" overpowering the 'We Are Stockbridge').
- Sports Leagues - We have a meeting at the end of the week to discuss the Cascades conference with Brian Zalud (Grass Lake AD). Two more teams are joining the Big 8 a year from now and two or three more could join in a couple years.
