Fall

- \checkmark Update your post-secondary plans in <u>xello</u> to reflect your career and educational goals
- \checkmark Sign up to meet with college representatives scheduled to visit our high school
- \checkmark Attend college night programs held in our area during the evening
- \checkmark Talk to friends, family and teachers about their experiences
- \checkmark Share your post-secondary plans with your counselor or college adviser
- \checkmark Take the optional PSAT/NMSQT in October

Winter

- Review your PSAT/NMSQT Score Report in December and get answer explanations online at <u>collegereadiness.collegeboard.org</u>
- \checkmark Create a free Khan Academy account for SAT practice
- \checkmark Prepare to take the statewide college entrance and work skills assessments in April
- Make good scheduling decisions regarding your senior year classes and make sure to include at least 3 credits of academic coursework including mathematics in your senior year
- \checkmark Challenge yourself with AP classes and continue with foreign languages that you have started

Spring

- ✓ Begin to visit college campuses that are of interest to you and bring your parents with you so they can get their questions answered as well
- \checkmark Arrange enriching summer activities early, including volunteering, getting an interesting job or an internship
- Review your SAT Score Report from the April statewide testing and if you decide the colleges you are interested in might need higher SAT scores go to <u>collegeboard.org</u> to sign up for a retake of the SAT
- ✓ Check the <u>SHS Guidance Office</u> website to find scholarship search links and other important information for college planning
- Create a <u>Parchment</u> new learner account using your personal email in order to request transcripts for college applications in the fall

Summer

- \checkmark Continue to take campus tours, this is very important to do over the summer
- $\checkmark\,$ Request application instructions and scholarship information from the colleges you are serious about
- ✓ Check important dates some universities have early deadlines or rolling admissions where it is to your advantage to apply as early as possible
