Stockbridge Community School District requires 30 hours of District Provided Professional Development (DPPD) as scheduled on the above specified late start days and Professional Development Day at the beginning of the year, and/or as mutually agreed upon by the building Principal. It is noted that teachers work 9 additional hours in evening conferences during the course of the school year, 6 in the fall and 3 in the spring. In lieu of a reduction of 3 hours of conference time the expectation for teachers is to document communication with 100 percent of parents.

*Testing administration compensation for the HS SAT/PSAT to be negotiated before the beginning of the 2018-2019 school year
