Stockbridge Community School District requires 30 hours of District Provided Professional Development (DPPD) as scheduled on the above specified half days, one hour monthly Staff PLC's scheduled outside of school hours, and one Professional Development Day at the beginning of the year, and/or as mutually agreed upon by the building Principal. It is noted that teachers work 9 additional hours in evening conferences during the course of the school year, 6 in the fall and 3 in the spring. In lieu of a reduction of 3 hours of conference time the expectation for teachers is to document communication with 100 percent of parents.
