

Dear Smith Families,

We are excited about the upcoming school year! We have an amazing journey ahead of us, but we will need to be equipped for the experience with a few supplies. If you cannot provide these for your child, please contact us, and we will solve the problem together. These materials CANNOT be **shared** in our classroom throughout the entire school year. **Please label your items.**

Below, you will find two lists: the first list is general student supplies that each child will need; the second list is a wish list from the teachers of items that teachers would find useful to have. If you would like to purchase any of these items please bring them with you to our Smith Open House or send them with your child on the first day of school.

We do not expect anyone to make a financial hardship upon themselves in order to purchase these items. Arrangements will be made to have supplies available for all children. As always our priority is for our students!

We thank you in advance for your cooperation and understanding in this manner.

Sincerely,

**Second Grade Teachers**
