

Dear Smith Families,

Many families are inquiring about what school supplies your child may need for the fall. Below is a list of supplies that we are recommending for kindergarten. If you would like to purchase any of these items please send them with your child on the first day of school. We do not expect anyone to make a financial hardship upon themselves in order to purchase these items. Arrangements will be made to have supplies available for all children. As always our priority is for our students!

We thank you in advance for your cooperation and understanding in this manner.

Sincerely,

**The Kindergarten Teachers**
