Hi! I am Ms. Rainer. I live in Stockbridge and have been teaching for 15 years. My daughter, Adeline, is in 7th grade and my son, Jax, is in 1st grade. We also have a big brown dog named Nana. I love photography, reading, and traveling.

In kindergarten, we learn to become a classroom community by learning kindness, encouragement, and communication. Watching my students gain the confidence and courage to take academic risks is the best part of teaching for me.
